WEAR-EVER HALLITE WARE

Newest and most exciting cooking utensils. Beautifully styled to grace today's modern efficient kitchen.

Made entirely of a special extra hard alloy, even to the colored covers which can never tarnish. Superb cooking, as alloy spreads heat faster up the sides as well as across the bottom. Cooks the food over low heat without scorching. Attractive cover knobs and handles with hanging ring. Each utensil complete with two graceful plastic transparent leaf hangers, that let your wall color through.

COPPER TRIMMED

Prestige

in beautiful, practical
Decoware®

*...styled with a new fashion flair
to fit any kitchen color scheme and bring you new profits
...yet at regular Decoware prices*

New "Prestige"—new high style to charm the "modern decor" market...yet you buy and sell this line at regular Decoware prices! And Prestige is really copper colored because it's made from high grade tin plate. In a white background, copper trimmed, elegantly modern, Prestige harmonizes with modern decor in any kitchen, and other rooms, too. Prestige simplifies your inventory...eliminates necessity of carrying multi-color backgrounds. And the short line assures rapid turnover. Call or write for details.
