SAFETY CANS

JUSTRITE

Approved by Underwriters Laboratories, Inc.

A safe and sensible way to handle and store explosive or inflammable liquids.

No leakage—No waste.

Efficient and economical.

Equipped with easy, natural opening devices. Cap closes automatically as soon as released.

Safety Feature—Spout cap controlled by strong non-rusting spring which holds cap closed tight. If can is exposed to extreme heat cap opens to release excessive pressure and closes automatically when pressure is relieved.

Heavy lead-coated sheet steel body, double seamed and soldered. Malleable iron handles and nozzles electrically tinned. High gloss red enameled, baked on.

With Trigger Handle

Cap opens when trigger is pulled and closes automatically when released.
