NEATSFOOT OIL COMPOUND

BLUE RIBBON

Waterproofs and softens all leather goods, such as boots, shoes, harness, leather belting, etc.

Also preserves and adds new life to all leather surfaces.

Easy to use—wash with soap and water or clean with gasoline if necessary—then rub Blue Ribbon Neatsfoot Compound into the pores and let dry.

HARNESS LEATHER

Backs

This harness leather is selected packers' hides and well tanned by the old reliable tannage formula of 3/4 oak bark and 1/4 hemlock bark. It is thoroughly curried and finished, uniform in quality, thickness and weight and free from all blemishes.

Sold only in full backs, with belly cut off. Weights run from 13 to 19 lbs. per back.

Latigotan

Per Lb.	Per Lb.

TRACE CHAIN

Electrically Welded—Bright Finish
Straight Links, with Ring

By reason of electric welding each link is perfectly formed and smoothly welded; chain made in this fashion is very uniform and attractive, besides being exceedingly strong.
